

Conti Crystallizer

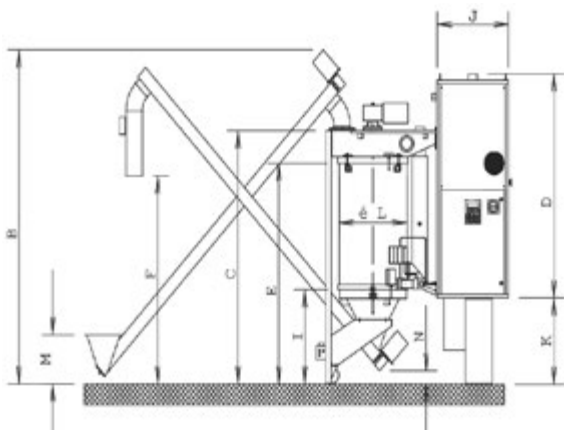

Conti Crystallizer

- Batch control eliminates cross contamination of amorphous and crystalline material
- Process control temperature, airflow gives optimum energy efficiency and crystallization consistency
- Small crystallization chamber gives shorter process time and increased flexibility
- Compact design minimizes footprint
- Clean and minimum of dust after crystallization
- Fast crystallizing cycle
- Quick material and colour change
- Proven, reliable design
- Siemens PLC control & 6" Touch panel
- 3 years warranty, excl. wear parts
